Proprietary Bait Matrix

Contains a blend of premium food ingredients.

Thick Syrup Formula

Odorless formula stays where it is applied, will not run on flat surfaces.

Broad Label

For use indoors, including food areas, and outdoors.

Thiquid™ can be Diluted

The 5% borax formula may be diluted to a 2.5% or 1% for very large multi-queen and multi-colony ant infestations.

The “Double Whammy” Effect

Non-repellent insecticides may be applied over the bait for a “double whammy” elimination effect.

Green Zone™ Brand

Naturally derived active ingredient. May be used in USDA Organic facilities and is perfect for any green program.
