**The Ultimate Green Cleaner that  
Works More Effectively than Simple  
Chemical Cleaners**

In areas of chronic moisture and organic matter.

**Formulated with a Blend of  
Premium, Natural Microbes, Citrus  
Oil and Other Cleaners**

For eliminating scum, odors and organic build-up.

**The Powerful Probiotics Actually  
Digest Organic Matter**

The microbe spores activate when in contact  
with their food source (organic debris).

**May be used in Manual Spray  
Applicators, Power Sprayers, Hose-  
end Sprayers, Foamers or Mop  
Applications**

**Ideal for Commercial Kitchens,  
Dumpster Pads and Outdoor Dining  
Areas**

**Works Great in Cracks and Crevices,  
and Void Areas Eliminating Organic  
Build-up and Odors**

**Other Treatment Sites Include  
Restrooms, Public Showers, Kennels,  
Collection Pits, Droppings and  
General Organic Waste Treatment**

**Contains No Harsh Chemicals or  
Fumes**

**Will Not Harm Septic Systems  
or Municipal Water Treatment  
Operations**

**Green Zone™ Product**

May be used in USDA Organic facilities and is  
perfect for any green program.
