

# EcoVia® 3-in-1 emulsifiable concentrate

**New, Improved Formula  
& Updated Label with  
Expanded Structural  
Use Sites & Pests While  
Maintaining “For Organic  
Production” Designation**

Product Codes:

EVTO064: 64 oz tip-n-measure bottle

EVTO055: 55 gallon drum

## Highly Effective, Broad Spectrum Insecticide, Miticide and Fungicide

Effective on a wide array of insect pests, mites and fungi.

## Updated Label Now Supports Broad Structural Pest Control Applications

Including residential and commercial buildings, warehouses and storage facilities, food production and processing environments, drains, sewers and pipe chases, basement, garages and outbuildings, and animal housing, kennels and agricultural structures.

## Updated Label Also Features a More Robust List of Structural Pests, Aligning with the Needs of Everyday Service Programs

These updates mark a clear shift from the previous label's emphasis on plant pests for a more balanced, PMP-focused offering.

## Can Be Used On Organic Crops and Throughout Organic Production, Processing and Storage Environments

Where broader site flexibility is essential.

## Ideal for Use on Plants, Both Edible/Consumable and Ornamental

Excellent product for use on cannabis.

## Mixes and Stays in Solution Easily

Like a traditional synthetic insecticide.

## No Neonicotinoid or Pyrethroid Label Restrictions

## Green Zone™ Product

EPA exempt pesticide. Suitable for green service programs.

Always read and follow label directions.
